State landing intentions on 122.75. Calm wind it's best to land north & roll out to my hangar, after landing you brake as needed and taxi on either side of centerline and be careful and watchful of the runway lights, & also a 650' tower 2 miles north of airport!! . Please park on either side ,well clear of the runway.

Come on over and see old friends, old airplanes, and meet new friends. Hot dogs and other goodies served all day.. Transportation to any of the local motels in Newnan, for anyone spending the night will be furnished. Camping is also approved, hot shower is available in my hangar.. Any questions call Charlie Wilson @ 770/ 927-6179.

Those driving in, come south on I-85 (toward Montgomery & Columbus) get off on exit #41 turn left on highway 27A, drive south about 8 miles to Luthersville. At the stop light (State Hwy54) go to the very next road, Short St. Turn right on Short St. and go to the end, turn left on College St. and go two miles to the entrance Flying N Estates on the left. Turn into the airport and continue around, past the end of the runway, around the curve about halfway on Loretta Ln. and my house is the brick two story on the right. My name is on the mailbox, also our address is 151 Loretta Ln. Fly, drive, walk or ride your Harley but come on down for good friendship, and good fun. See you there!.

**STARTING AT 10:00AM GUESTS WELCOME !!**
