

2009 ADVANCED REGISTRATION FORM

AAA/APM INVITATIONAL FLY-IN ANTIQUE AIRFIELD, BLAKESBURG, IOWA

PLEASE NOTE: Last year, for the first time since 1999, we raised our registration fees. That increase of \$2.00 a day helped to defray our ever rising expenses for preparation, production and execution of the AAA/APM Fly-in. However, 2009 brings new financial challenges for not only the AAA/APM but also many of our members hoping to attend the fly-in. Therefore the Board of Directors of both the AAA and APM have decided **not** to further increase our registration or camping fees for the 2009 fly-in. Registration fees will remain at \$51.00 for the week and camping fees will remain, the same as they have since 2007, at \$48.00 for the week. As usual AAA lifetime members pay no registration fee.

ADVANCE REGISTRATIONS: Due to the problems in the past of late postal deliveries of programs and tags to those registered in advance, we are holding same and will have a packet of all tags, etc., ready for your arrival and speed registration. Advance registrations will be on file at the AAA Headquarters office. In view of our policy of a closed "INVITATIONAL FLY-IN" for members only, the AAA will not accept registrations from those who are not active members of the AAA. We will accept bona fide guests of members, but these advance registrations must come from an active AAA member. Registrations received from non-members will be returned unless accompanied by a request for membership and will be processed on receipt of members application form and dues.
